

# Schoolhouse Glasses

**Designed for use with the Globe Adaptor, these Schoolhouse design glasses will compliment Hunter's period style ceiling fans, and recreate the old world charm. (Globes not included)**

**22515:** 8" Opal Schoolhouse Glass (Globe Adaptor Required)

**22555:** 10" Opal Schoolhouse Glass (Globe Adaptor Required)

**22565:** 10" Opal Contemporary Schoolhouse Glass (Globe Adaptor Required)

# Schoolhouse Glasses

**When fitted to a Hunter ceiling fan using a Globe Adaptor, these glasses will add the following to the overall dimensions.**

8" Opal Schoolhouse Glass: Adds 160mm to the overall height of the fan

10" Opal Schoolhouse Glass: Adds 195mm to the overall height of the fan

10" Opal Contemporary Schoolhouse Glass: Adds 150mm to the overall height of the fan

**The Hunter Schoolhouse glasses can be connected easily to a Hunter ceiling fan, using the Hunter Globe Adaptor which has a plug connector which simply clips into the connector on the ceiling fan. This enables the light to be a DIY installation, if the fan is already installed.**
